DAVUILEVU THEOLOGICAL COLLEGE
DEVELOPMENT OF COLLEGE FACILITIES

Davuilevu Theological College (DTC) is an institution that prepares men and women fully for ordination for the Methodist Church in Fiji through effective spiritual and theological training and development. DTC began in 1908 under the leadership of Rev. William Bennett, with 1 lecturer, assisted by one native missionary and two catechists and thirty-two students. To date the College has produced more than five thousand ordained ministers. Currently, the College has 13 Lecturers and 56 Students.

Over the years the training arm of the College has not only provided Local Ministers but also has extended its services to various mission fields such as Chaplains (hospital/school/ rehabilitation/ military/ police), Overseas Mission ((UK, NZ, AUS, USA, Caribbean's, middle east etc.).

We envision to be an effective and transforming ordained ministry for a successful society in a changing world through sound spiritual formation and development and also provide quality effective education. In order to do this the College needs to engage effectively to the growing needs of our society and align itself through advanced technology and proper facilities.

The College therefore invites you into a partnership with DTC to help us achieve this vision.
