

2019 California-Nevada

Annual Conference Offering

Supports the Theological Seminary of the Methodist Church of Fiji and Rotuma. It will be received at the opening worship service, Wednesday, June 19, 2019.

Davuilevu Theological College prepares men and women for ordination in the Methodist Church in Fiji through effective spiritual and theological training and development.

Critical needs at this time are for construction of an extension to the Rev. William Bennett Library; for a library automated system and security system; and for updated books and other materials.

"I hope you will encourage your local church to give generously to our conference offering."

Davuilevu Theological College

the Methodist Church in Fiji and Rotuma

Davuilevu Theological College began in 1908 under the leadership of Rev. William Bennett with a single lecturer, assisted by one native missionary and two catechists. There were 32 students.

To date it has produced more than 5,000 ordained ministers and has extended its services to various mission fields, such as chaplaincy and overseas mission.

"We envision to be an effective and transforming ordained ministry for a successful society in a changing world through sound spiritual formation and development and also provide quality effective education. In order to do this the College needs to engage effectively to the growing needs of our society and align itself through advance technology and proper facilities." - Davuilevu Theological College
